## Technical Memo T7

Re: 09T01.01

To: Customers of the Sheet Metal Nibbler  
From: Garrett Wade Customer Service

This tool cuts aluminum, brass and copper sheet up to 15 gauge (1/16") and mild steel up to 18 gauge (3/64").

**Please note that this tool is not designed to be used to cut hardened steel or to exceed the above specifications.** Please return this tool for a full refund if intended for use outside these design parameters.
