## Technical Memo T30

Re: 33S01.01 36T01.01 39G01.01

To: Customers of the Heavy Duty Stapling Tools  
From: Garrett Wade Customer Service

In addition to the staples that come with each of these tools, we stock a great variety of staple styles that fit them and which are available to our customers at very good prices. If you have a big stapling job to do (or perhaps just one with special requirements), it may help you to take a good look at this list.
